

# We are looking for IT professionals.

**Starting your career at Accenture Latvia has never been easier. We are the third largest employer in Latvia and are constantly striving to grow and expand our field of expertise.**

**We are always looking for new colleagues in a broad spectrum of roles, from Project managers, Intelligent automation developers to .NET, Java, SAP specialists and many more.**

**If you already have experience in any of the technologies we work with, but there aren't any open vacancies you feel like a good fit, please don't hesitate to submit your CV anytime.**

## Why Accenture?

Accenture is a leading global professional services company, providing a broad range of services and solutions in strategy, consulting, digital, technology and operations with 492 000 consultants serving clients in more than 120 countries. Accenture delivers for BMW, BBC, Discovery Networks, Henkel, Novartis, Roche, Lindorff and others.

In Latvia we are more than 1500 consultants working with Java, .Net, SAP, Oracle and other leading-edge technologies. Whether it is an augmented reality tool for try on clothes online, a smart parking spot detection tool or big data management solution, Accenture Latvia is creating the future.

**By joining Accenture, you will be part of a global company with a world-class brand and reputation**

**You can make great ideas happen for some of the world's most dynamic companies who are our clients**

**You'll get endless opportunities to challenge yourself with interesting work in a consulting environment**

**We offer long-term career, where you will constantly challenge yourself to learn and grow. Our performance achievement approach to performance management focuses on building on your strengths and maximize your potential. We are an organization that encourages diversity – and as a meritocracy, everyone will be given equal opportunities based on performance and aspirations.**

**I&D Equal is greater than** - Accenture welcomes and encourages applications from diverse backgrounds related to gender, age, ethnicity, culture, race, religion and belief, disability, nationality, sexual orientation, and gender identity. Inclusion and diversity are fundamental to our culture and core values, providing an environment where everyone brings distinct experience, talent, and culture to their work. We invite you to be part of this diversity!

**DISABILITY:** If you would like to be considered for employment opportunities with Accenture and need special assistance due to a disability or accommodation for a disability, **contact us.**
