

Job position: Sales manager

Job location: Klaipeda districtr.

Vlantana, one of the largest Lithuanian logistics companies within 2,500 employees and fleet of more than 1,550 trucks, specializes in FTL transportation throughout the European Union and the CIS countries.

International company with 25 years of experience solves the customers' logistics and transportation needs in the industrial, commercial and consumer supply chain.

In order to be a leader in logistics innovation, providing the highest quality and unique customer service, being an inspiring and responsible employer for society and the environment, the company is guided by the following values: innovation, leadership, responsibility, respectfulness and agility.

Your tasks:

- Active sales of transport service for the CIS clients;
- Collaboration with present clients.

Requirements:

- High/higher education level;
- Over 1 year experience in sales (transport and logistics sector - advantage);
- Communicability, being able to collaborate with colleagues for problem solving;
- Ability to manage big information flows;
- Representativeness, communicability, persistence, innovation.
- Excellent English and Russian skills.

We offer:

- Opportunity to improve;
- Career opportunities;
- Realization of your own ideas in order to improve your position;
- Salary from 1000 EUROS in hand, based on the work experience;
- Motivational bonuses depending on the results of the work.
