EMERGENCY MEDICINE SPECIALIST

Employer

Fondazione Poliambulanza is a private non-profit hospital accredited with the Regional Health System in Lombardy. It is a multi-specialist center with 650 beds, about 60,000 accesses per year to the Emergency Department and four areas of excellence: treatment of cancer and cardiovascular diseases, orthopedic operations and management of every phase related to childbirth thanks to one of the most modern and advanced Neonatal Intensive Care Unit in the area.

Fondazione Poliambulanza is a University training center in partnership with Università Cattolica, it has advanced diagnostic and therapeutic technologies and a fully integrated system of patient management. It has been recognized as a Hospital of Excellence by the Joint Commission International and is certified EMRAM Stage 6 by HIMSS (<https://www.himssanalytics.org/emram>), for efficiency of IT solutions spent in support of clinical and patient care processes.

Job offer

Job title	EMERGENCY MEDICINE SPECIALIST
Number of posts	1
Job description	The emergency doctor will be part of a team of doctors with different specialities and will deal with urgent health problems. He/she will be responsible for assessing and managing the patient's problem and, if necessary, discharging the patient within 24 hours. It is up to the doctor to decide whether the patient is fit for discharge or whether he or she needs further treatment and therefore admission. In this case, the doctor may use the Short Intensive Observation and, when necessary, he may ask for the advice of specialists from other departments, such as surgeons, orthopaedists, neurologists, infectivologists or physiatrists. There are 6- or 12-hour shifts, with approximately 5/6 nights per month and 2 weekends on call per month.
Profile	Specialisation in Emergency Medicine, Internal Medicine or equivalent specialities with knowledge of diagnostic methods such as ultrasound diagnosis is required. Additional skills: strong motivation, aptitude for collaboration and teamwork.
Education	Specialization in Respiratory Diseases or Pneumology or equivalent/similar specializations
Knowledge of Language	Italian proficient English intermediate
Place of work	Brescia (Lombardy – Italy)
Working hours	38 hours per week
Work conditions	National collective bargaining agreement ARIS/CIMOP – private health sector
Contract type	Fix term – 12 months with perspective of permanent contract
Experience	1-5 years
Start date	As soon as possible
Salary (gross)	Min 52600 euro - Max: 55000 euro per year
Further information	Accident insurance included In-house canteen
