

"AM BACH" apartments

Das kleine Appartmenthaus in Gerlos - in der Zillertal Arena

Job description – chambermaid

Work-life balance is becoming increasingly more important for our employees – in Am Bach we can offer you this combination.

Would you like to change?

Are you looking for time out - preferably in the mountains?

You love winter sports and would like to combine your work with nature?

Are you flexible and reliable and do you speak English or German?

Then you might be the right person in our team.

It is not a "typical maid's job" like in a hotel. You are only responsible for the apartment house (4 apartments).

There are not only stressful days, on many days you are already done with work at 11 am and you have the afternoon off. It always depends on how fast you work and how flexible you are.

Remit:

- Cleaning of the apartments (final cleaning and daily cleaning of the apartments)
- Keeping the entire apartment house clean
- Check in & check out of the guests

Prerequisite:

- Used to work independently
- Neat appearance and friendly manner
- Fast and clean working shouldn't be a problem
- Flexible in time management
- German and/or English

Payment: € 1,600 gross + free accommodation in an apartment in the center of Gerlos
